

## MCC225BLK

Capture, View and Share Everyday Life

The Memorex MyVideo™ HD camcorder is the easiest way to zoom in on life's moments before they zoom out. Perfectly sized for the pocket or purse, MyVideo easily captures, views and shares life's memories and offers simple uploading to Web sites like Facebook™, YouTube™ and Vimeo™. Unlike other pocket-sized camcorders, the MyVideo HD camcorder records video in high definition and directly connects to your TV for the best quality viewing.
